

## **Howard Ashcraft, Partner**

### **Hanson Bridgett LLP**

A partner at Hanson Bridgett LLP, Howard helped develop Integrated Project Delivery in the mid-2000s. He leads a team that has structured over 175 pure IPD projects across North America and abroad, has authored or co-authored key IPD texts, and regularly consults on IPD projects and other alternative delivery methods. In addition to his professional practice, he is an Associate Fellow of the Saïd Business School at Oxford and has been an Adjunct Professor and Lecturer of Civil and Environmental Engineering at Stanford University. He is a member of the National Academy of Construction, a Fellow of the American and Canadian Colleges of Construction Law. In 2022, he received the Lean Construction Institute's Pioneer Award for his IPD and Lean project leadership. His book, *Contracting for Integrated Project Delivery: Structuring Collaborative Projects for Global Success*, was recently published by Wiley. He has received numerous legal honors and is a Band 1 rated construction lawyer by Chambers & Partners.
